

## **Adult and Pediatric First Aid/CPR/AED**

This blended course combines engaging and interactive online simulation learning plus an in-person classroom session to learn and practice critical lifesaving skills for certification.

You can access the online portion using the following link, where you will be asked to create an account: <http://redcrosslearning.com/course/73d7a620-38d4-11e6-a59a-67acc4de20d4>

Please use your email address and create a password to register your account (make sure you remember your login and password). If you have questions/problems about getting online, please contact the ARC for assistance at 1-800-RED-CROSS. The online content will take around 3 hours to complete and you are able to take extended breaks between sessions and save your progress.

**IMPORTANT! You must complete the online portion of this course prior to attending your in-person skills session.**

Once the online portion is complete:

- Forward the email confirmation you received upon completing the online portion to your instructor ([sgnoddie@bedfordoh.gov](mailto:sgnoddie@bedfordoh.gov))
- Print out your online course completion record from the course and bring it with you to the in-person skills session – it will read “Proceed to Skill Session”

As an additional educational resource and/or for future reference, [here is a link to download a digital copy of the American Red Cross Participant’s Manual for First Aid and CPR.](#)

Please email me if you have additional questions.
